- Embed all images in final document

Please check the following:

- All company details (phone/fax)*
- Correct colours are used*
- Correct size banner is used*
- Positioning of artwork*
- Quantities*
- Spelling*

Please note that because of the way we see light, colours printed with ink on paper look different to colours displayed on a computer screen. It is therefore essential that the correct corporate colours be specified by the client before printing. Providing pantone colours ensures the colours are printed as close as possible to your corporate colours.

This is 1/4 of the Square.
It'll be printed 4 times.
